This is the Season for giving and since we have three members in our chapter from two organizations. Lisa Beedon & Barbara Emsberger from Habitat for Humanity and Tina Wendell from Safe Horizons/Carolyn's Place we would like to ask the membership to give back.

We are asking each member to bring at least one personal product for Safe Horizons. Item could be, hair products, liquid soap, make-up, nail polish & hair brushes. Just put on your thinking cap and come up with an item. How would you feel if you left home with nothing, what would you need? Let's fill Santa's sack!

We are going to also pass Santa's Hat and take up a monetary collection for Habitat for Humanity which will be used for the Women's Build that is coming up.

Tis the Season and Giving is much better then receiving. We're just asking you to donate where and what you can. The donations are appreciated by both organizations.
